

Audio & Visual Requirements for Catherine Molloy

To ensure the best outcome for Catherine Molloy's presentations, please ensure that the following items are in place BEFORE the start of the event. Thanking you.

MICROPHONE

Catherine Molloy does requires a microphone, and prefers a lapel microphone, however will wear a head microphone. If neither are available, a cordless hand held microphone is acceptable. If the handheld microphone has an attached cord, please allow at least 5 metres in length.

SEATING ARRANGMENT

The audience should be seated in front or to the side of the stage, with no seating allocated behind of Catherine.

WATER - if available

A provided sealed bottle of water would be very much appreciated.

STAGE

An open stage with good lighting is preferred. Catherine Molloy would like a podium should one be available. Catherine houses a laptop and small prizes for participants.

DATA PROJECTOR WITH SOUND

Catherine will require a visual.
